CONNECTING WITH GOD • CARING FOR PEOPLE • CULTIVATING COMMUNITY

Hello Parents,

**Children's ministries at SCC** are blessed that your kids come to worship the Lord on Sundays. A few things to keep in mind every Sunday for your child's safety:

**Check-in & check-out procedures:**

- make sure to check in before the service with a name tag for each child
- parents/guardians must have the security code matching their child's for pick-up.

**Parents/guardians must remain on the church premises** while their child is checked into children's ministry.

**Classroom doors remain locked** during the entirety of the church service with a security check from the security team.

**Parents of nursery children need to have their cell phone available for communication.**

**All diaper changes are done by the parent.**

**Parents are asked not to bring children who have the following conditions:**

- temperature of 100° or higher
- vomiting
- diarrhea
- severe coughing
- colored nasal drainage
- pink eye
- head lice
- undiagnosed rash
- open skin lesions
- infectious disease

**All children should go to age-appropriate classes:**

Nursery: 0–2 years old

K-2: Kindergarten–2nd grade

Pre-K: 3–5 years old

3rd–5th grade

**Children's ministries encourages junior helpers for younger classes.** There should be one junior helper in a class, remaining the entirety of the class.

Thank you parents & guardians
